Recent studies indicate that vitamins and their derivatives play an important role in maintaining a youthful appearance and fighting the war against skin aging. Studies have provided us with growing evidence that Vitamins A, B, C and E penetrate the skin, protecting the cells and tissues from damage caused by the aging process and environmental stresses. Pharmagel's unique Skin Treatment Delivery System of pharmaceutical grade formulations with intensive vitamins and botanicals provides a beneficial environment for protecting, correcting and renewing the skin. This is why we use Pharmagel pharmaceutical Anti Aging Skin Care

Deep Cleansing Facial.....\$50

Q. My skin gets so dry in the cold weather; what can I do?

A. DN-24 Hydracreme is a super-charged moisturizing creme containing 25,000 i.u. of Retinol-A (Vitamin A) and Vitamins C, B, D and E. It rehydrates and re-energizes skin, then reprograms it to resist environmental stresses and combat aging. The intensive concentration of vitamins in DN-24 Hydracreme shields the tissues from free radicals and lessens the risk of skin damage. Skin's metabolism speeds up at night, expanding capillaries and making the skin most receptive to nourishment. Cells rejuvenate at their fastest rate during this time. DN-24 Hydracreme keeps skin on a 24-hour continuum of protection and repair.
How to Use: Use morning and evening on facial areas. May be used over Pharma-C Serum or Bio-A Concentrate. Key Ingredients: Retinol (Vitamin A)—Firms and nourishes skin. Ascorbic Acid (Vitamin C) and Tocopheryl Acetate (Vitamin E)—Antioxidants that firm and tone. Panthenol (Vitamin B)—Antioxidant; reverses signs of aging. Aloe Vera—Soothes and protects skin. Sesame, Avocado and Safflower Oils—Extra moisturizing benefits.
