Recent studies indicate that vitamins and their derivatives play an important role in maintaining a youthful appearance and fighting the war against skin aging. Studies have provided us with growing evidence that Vitamins A, B, C and E penetrate the skin, protecting the cells and tissues from damage caused by the aging process and environmental stresses. Pharmagel's unique Skin Treatment Delivery System of pharmaceutical grade formulations with intensive vitamins and botanicals provides a beneficial environment for protecting, correcting and renewing the skin. This is why we use Pharmagel pharmaceutical Anti Aging Skin Care

Hydra Cleanse® Foaming Gel Facial Cleanser is an exceptionally mild and natural foaming gel cleanser with natural herbs.

Botanical Tonique® is an all natural, fragrance free facial toner. Non-drying formula.

Why should I tone my skin?

A. Botanical Tonique® is an all natural fragrance-free and alcohol free facial toner containing an infusion of botanical extracts. This refreshing formula will bring your skins pH to normal while offering extra firming benefits to the skin by tightening and refining the pores. This product can be used as a great soothing after shave! For men it will control razor bumps and skin irritation.

Method of Use: After cleansing apply with cotton pad or spritz the face for an extra “pick me up” of refreshing energy.

Active Ingredients: Passion Flower Extract-Used for firming and toning. Arnica

Extract -Used in balancing the pH of the skin and promoting new tissue growth. Chamomile Extract -Soothing and healing properties. Bergamont Extract -Nourishing benefits. Panthenol (Vitamin B) -Energizing to the epidermal layers of the skin. Witch Hazel - Acts as a primary antiseptic. Rosemary Extract -Stimulates circulation.

Benefits: It is important to restore the normal acid balance of your face after cleansing. Found in many plants especially in palm leaves, parabens are noted for their excellent preservative properties & their safety compared to other commonly used preservatives. Parabens are easily biodegraded and do not destroy the desirable bacteria living on the skin. Arnica an antiseptic herb which promotes the growth of new tissue, is traditionally used for bruises, wounds and inflammation. Witch Hazel Extract is distilled from the bark, leaves, and flower-bearing twigs of the hamamelis plant. Ingredients such as Chamomile and Calendula nourish and soothe the skin. In addition to toning the skin, rosemary helps stimulate the circulation of blood in skin with poor circulation. Comfrey contains Allantoin which helps heal damaged skin by stimulating the growth of new tissue. It also aids in temporary relief of minor skin irritations.

REPAIR • PREVENT • REVERSE - Anti-Aging Formulas- No Animal Ingredients or Animal Testing- Lanolin-Free and Mineral Oil-Free- Noncomedogenic (Will Not Clog Pores)- Pharmaceutical Grade Ingredients- All Natural and Hypoallergenic- For All Skin Types and All Age Groups- pH Balanced and PABA-Free Sunscreen-Dermatologist and Esthetician Recommended
