5 Things you should know about hair coloring

1. **Color Makes Hair Appear Thicker** Glaze, highlights and all-over color boost volume.
2. **Color Solves Complexion Problems** Color balance for glowing skin
3. **Color Makes You Look Young and Healthy** Add some youthful shine.
4. **Color Improves Your Bone Structure** Visually reshape your face.
5. **Color Acts Like Eye Shadow** Make your natural eyes more dramatic.

Refer a Friend

We are pleased to share with you. For each new client you send, they will receive \$10 off their first service with us and A Big Thank You goes out to you, we will mail your \$10 off card for your next service! Thank you so much for being such a loyal client to our Salon and creating future business for your Stylists. We look forward to seeing you reap the rewards of your suggestive power. The greatest compliment you give us is the referral of your family

and friends, Thank You!!
